Conference Summary

BBIFCC is proud to present to you the outcome and results of the BBIFCC INTERONC 2025 themed **“Integrating Science and Care: Pioneering the Future of Oncology”** held in South Asian University, Delhi, India on 28-29 March 2025.

BBIFCC organized its two day event, bringing together delegates from India & around the world. The conference aimed to collaboration and foster connections between attendees.

The conference featured informative sessions on topics of Oncology. These sessions were facilitated by industry-leading experts and thought leaders, providing insightful discussions and actionable strategies.

The conference provided a vibrant platform to showcase the latest cancer technological developments, with several cutting-edge demos.

As a result of the conference, attendees gained significant insights into the latest technology trends and networked with industry leaders. They got exposure to new services and were inspired to implement new ideas and strategies in their organizations.

Overall, the conference created a lasting impact and was rated as a successful and memorable event by attendees, sponsors and organizers alike.
