# INTERONC 2026

Date: 5, 6, 7 February, 2026

Venue: Maulana Azad Medical College, Delhi, India

Email: [bbifccconference@gmail.com](mailto:bbifccconference@gmail.com)

Visit: [www.bbifcancercare.org/programmes](http://www.bbifcancercare.org/programmes)

## About the Conference

INTERONC 2026 is a flagship interdisciplinary conference dedicated to transforming the landscape of cancer care in India. Under the theme "Integrating Disciplines, Transforming Cancer Care: From Community to Clinic," the event aims to bring together medical, scientific, social, and alternative health disciplines to foster holistic understanding and collaborative action against cancer.

This three-day event will unite oncologists, pathologists, AYUSH experts, researchers, healthcare professionals, public-health leaders, and community advocates on a single platform — to discuss, debate, and design the future of cancer prevention, diagnosis, and treatment in India.

## Conference Vision

Cancer is not just a disease of the body — it is a challenge that touches every layer of human life. INTERONC 2026 envisions a future where science, society, and spirituality work together — blending modern medicine with traditional wisdom, research innovation with community awareness, and technology with empathy.

[\*\*Click here for more info\*\*](#)

# INTERONC 2026

Date: 5, 6, 7 February, 2026

Venue: Maulana Azad Medical College, Delhi, India

Email: [bbifccconference@gmail.com](mailto:bbifccconference@gmail.com)

Visit: [www.bbifcancercare.org/programmes](http://www.bbifcancercare.org/programmes)

## Conference Highlights

### Scientific & Clinical Tracks

- **Advances in Cancer Treatment and Therapeutics**  
CAR-T, immunotherapy, interventional oncology, molecular diagnostics.
- **Screening, Early Detection, and Biomarkers**  
Bridging lab research and early community screening.
- **Women in Cancer Research & Care**

### Celebrating female leadership and innovation in oncology.

- **Precision and Personalized Oncology**  
The next frontier in tailored treatments.
- **Interdisciplinary & Integrative Focus**
- **AYUSH, Naturopathy, and Yoga**

### Exploring the role of integrative approaches in cancer care.

- **Preventive Oncology and Public Awareness**  
Lifestyle, nutrition, vaccines, and early screening for cancer control.
- **Community & Patient-Centered Care**  
Sessions on psychosocial support, survivorship, and advocacy.

# INTERONC 2026

AN INTERDISCIPLINARY CONFERENCE ON ONCOLOGY

Organized by: BBIF Cancer Care, New Delhi & Dept. of Community Medicine, MAMC, New Delhi

Conference Theme

**“Integrating Disciplines, Transforming Cancer Care: From Community to Clinic”**

Event on: 5 - 6 - 7 February 2026

Event venue: Maulana Azad Medical College (MAMC), New Delhi

**Abstract topics:**

**1. Basic & Translational Research**

- Molecular and cellular mechanisms of cancer
- Genomics, biomarkers, and targeted therapy development
- Experimental therapeutics and resistance studies

**2. Clinical Oncology & Therapeutics**

- Innovations in chemotherapy, radiotherapy, and surgery
- Immunotherapy, CAR-T, and precision oncology
- Clinical outcomes and multidisciplinary case studies

**3. Technology, AI & Innovation**

- Artificial intelligence and machine learning in oncology
- Digital pathology, imaging, and robotics
- Data integration and informatics in cancer research

**4. AYUSH, Naturopathy & Integrative Oncology**

- Role of Yoga, Ayurveda, and naturopathy in cancer prevention and recovery
- Complementary therapies and holistic health models
- Evidence-based integrative oncology practices

**5. Preventive Oncology & Public Health**

- Screening, vaccination, and awareness programs
- Epidemiology and population-based research
- Behavioral science and lifestyle interventions

**6. Psycho-Oncology & Survivorship**

- Mental health and wellbeing of cancer patients
- Survivorship, rehabilitation, and palliative care
- Community-based cancer advocacy

**7. Policy, Ethics & Health Systems**

- National cancer control policies
- Access, affordability, and healthcare equity
- Ethical and regulatory perspectives

**CALL FOR  
ABSTRACTS**

**NOW OPEN!**

**Submission deadline: 25 January 2026**
