

## Pre-Conference Workshop Sponsorship Opportunities

The Pre-Conference Workshop at MAMC, Delhi on 5th February 2026, provides a unique platform for organizations to connect with hospital professionals, researchers, and early-career scientists in the field of Oncology.

We invite sponsorship support to help cover workshop logistics, materials, refreshments, and training kits, while offering your organization visibility and recognition among a focused, professional audience. See the sponsorship levels, standard amounts, and special discounted rates for organizations already sponsoring INTERONC 2026.

Workshop Sponsorship Level	Standard Amount (INR)	Discount for INTERONC 2026 Sponsors (INR)
Platinum Sponsor	1,78,000 + GST	100,000 + GST
Gold Sponsor	100,000 + GST	70,000 + GST
Silver Sponsor	70,000 + GST	50,000 + GST
Workshop Material Partner	50,000 + GST	30,000 + GST

### Key Benefits of Sponsorship Include:

- Brand visibility on workshop banners, program schedule, and certificates
- Opportunity to showcase products or services relevant to Oncology.
- Acknowledgment during workshop sessions and communications
- Delegate engagement through printed materials, booths or branded kits

**Notes:**

- The workshop venue is smaller than main conference halls, so “booth” may be one table rather than a full exhibition stand.
- GST is applicable on sponsorship amount
